NOTE: Download all your support materials and tools in one place.

1. Go to: <http://www.digital-watchdog.com/resources>
2. Search your product by entering the part number in the **'Search by Product'** search bar. Results for applicable part numbers will populate automatically based on the part number you enter.
3. Click **'Search'**. All supported materials, including manuals and quick start guide (QSGs) will appear in the results.

INSTALLATION

- 1 Mark and drill the necessary holes on the mounting surface using the mounting bracket itself.
- 2 Secure the mounting bracket to the mounting surface using the tapping screws included with the mount.
- 3 Use the four (4) M8x30 screws included to secure the camera's wall mount and camera on the corner mount.
